BEHIND- THE-WHEEL INSTRUCTION AGREEMENT

Student Name: _____

As often as possible, we schedule our drives with at least two students in a vehicle with an instructor. However, due to student illness, scheduling conflicts, forgetfulness, ect., sometimes only one student shows up to drive.

With that in mind, a PARENT or GUARDIAN must choose one of the following:

BEHIND THE WHEEL Student Instruction Agreement:

This agreement states that Maier Driver Education must have at least ONE OTHER STUDENT in a vehicle with my student and the certified instructor for driving instruction.

BEHIND THE WHEEL Student Instruction Waiver:

This agreement states, I give Maier Driver Education’s certified instructor the ability to do the driving instruction ONE ON ONE with my student.
